NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, U.S. Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of the copyright law.

The granting of permission to publish does not absolve users of materials from securing permission from copyright owners or from payment of such additional fees as the owners may require if SHS does not own copyright or if the material is not in the public domain. Applicants assume all responsibility for questions of copyright and invasion of privacy that may arise from copying and from the use made of the copy.

I understand that permission is for one-time use only for the project described above (visit shs.umsystem.edu/photograph/photousepolicies.shtml for further requirements on Internet use). I understand that images may be cropped but not altered in any way as to appear different from the original. I assume full responsibility for securing proper copyright permission from the creator of the work or his heirs. I agree to indemnify and hold harmless The State Historical Society of Missouri, their officers and employees, from any action involving infringement of the rights of any person or heirs and descendants in common law or under statutory copyright. I agree to cite the source of the material and to arrange that the publisher send one free copy of any usage to the address above.
