## Become a Public Historian at UMKC

The University of Missouri-Kansas City's location in the heart of Kansas City – a thriving Midwestern metropolis that is home to world-renowned museums, archives, historical sites and cultural institutions – provides students abundant opportunities for careers as public historians.

UMKC's M.A. in History with an Emphasis in Public History is an interdisciplinary program that trains students through a combination of rigorous instruction in historical research and practical training in transferable, professional skills. Our students create collaborative and innovative projects with various communities across the metro.
